

Religion

Stills from our new series

Let's Talk About Religion

What is a god? What happens after we die? This two-part series discusses the way in which three of the world's largest religions—Christianity, Islam and Buddhism—interpret the nature of God and the afterlife.

The Afterlife

Ever wondered what happens to you after you die? Do our actions affect what happens to us in the afterlife? This program presents comprehensive overviews of life after death from Buddhist, Muslim and Christian perspectives. Topics include teachings about following the path to nirvana, paradise and heaven, and the concepts of final judgement and hell.

The Nature of God

What kind of god do you believe in? Can human beings get in touch with a higher power? In this program we look at some core beliefs across the three religions of Buddhism, Islam and Christianity. Viewers are introduced to the Buddhist, Islamic and Christian conceptions of a supreme being in this thought-provoking program.
