The Great Orator

Eve has just landed the world's top job: President of the Entire Earth. But will she last more than a month? If her oral presentation skills don't improve quickly, the planet (and possibly the universe) will be doomed. No pressure.

Presentation Basics

Eve has barely warmed up her Presidential office chair and a crisis is already looming. Watch the lunacy unfold as Eve scrambles to deliver her first big oral presentation with help from her future self. Can she achieve the unthinkable and prevent an unhinged alien from annihilating Earth? And more importantly, how can she get out of wearing ugly Presidential hats and badges?

Audience Engagement

Ruling the planet isn't quite the piece of cake Eve expected. The crew is battling cabin fever and Eve needs to prepare a ceremonial message for Universe Day with no time to spare. Will a crash course in audience engagement be enough to help Eve win over the entire universe?

Debates

With an election looming, it's time for Eve, President of the Entire Earth, to find out if she got this job simply because of her height, or whether she's got the right stuff. What does a debate involve? How can she win it? Who is her mystery opponent? And just how displeasing is wasp pie?

Literary Devices in Ads

In this program, students will find accessible explanations and examples of persuasive literary techniques used in advertising. The common rhetorical devices stipulated in the Australian Curriculum for English are demonstrated in engaging detail. The theme of car commercials provides a useful context in which students can explore the effect of multiple techniques, including allusion, simile and metaphor, hyperbole, personification, evaluative language and parody.
